about us

IT WAS THE MAIRA OF
1989

Established in 1989 in Delhi, this family run business has grown from a trading firm to a successful manufacturing company supplying top quality home appliances like Air Coolers , Geysers etc. throughout india. The raw material outsourced by the company is from quality conscious vendors. It goes through stringent quality control checks before being used. Our finished products meet the bench-mark of quality along with variety in sizes, colours and designs.

Rajesh Nath Maira (Founder)

Rajesh Nath Maira, the founder of Mash Appliances, boasts more than 40 years of experience in the cooler industry, making him a seasoned veteran in the field.

Madhav Maira (Managing Partner)

Madhav Maira is a managing partner at Mash Appliances, a company that specializes in creating innovative home appliances. He brings expertise in leadership and business strategy.
